Architectural Review Committee (ARC) Request Form

Before You Begin:

- Some exterior modifications require ARC approval BEFORE work begins
- All buildings must comply with all local, state, and federal building codes.
- Provide detailed descriptions including dimensions, materials, colors, and placement
- Attach supporting documents: site plans, floor plans, color samples, specifications, photos
- Incomplete applications will be returned and delay your approval
- Allow 7-10 days for review and response

2. APPLICANT INFORMATION

Property Owner Name: *

Property Address: *

Phone: *

Email: *

Mailing Address (if different from property address):

2. PROJECT TYPE

- Fence
- Shed/Outbuilding
- Exterior Paint/Siding
- Roof
- Solar Panels
- Other

3. PROJECT DETAILS

Project Description: *

Describe in detail what you plan to do. Include specific measurements, dimensions, and location on your property.

List all materials, brands, product names, colors (with codes/names), finishes, etc.

Estimated Start Date:

Estimated Completion Date:

Contractor Name & Contact (if applicable):

Westside Trails HOA

Architectural Review Committee (ARC) Request Form

4. REQUIRED ATTACHMENTS

Check all items you are attaching to this request:

- Site Plan/Plot Plan - showing property lines, existing structures, and proposed improvement location
- Floor Plans - architectural drawings showing room layouts, dimensions, and flow
- Elevation Drawings - showing front, side, and rear views of proposed structure
- Color Samples - paint chips, material samples, manufacturer color codes
- Product Specifications - manufacturer cut sheets, product brochures
- Photographs - current photos of the area to be modified
- Survey/Measurements - dimensions and setback measurements

Note: Applications without adequate documentation will be returned incomplete and delay your approval.

5. NEIGHBOR NOTIFICATION

- I have notified adjacent neighbors of my proposed project (recommended but not required)

6. APPLICANT CERTIFICATION

I certify that the information provided in this application is complete and accurate. I understand that:

- No work may begin until written approval is received from the ARC
- Approval by the ARC does not waive the requirement for applicable building permits
- Work must be completed in accordance with approved plans
- Changes to approved plans require a new ARC submission
- Unapproved work may result in fines and/or removal at owner's expense
